SPEAKER MARVEL: Hearing no objections, so ordered.

CLERK: Mr. President, LR 36 offered by several Senators. (Read.) That is found on page 906, Mr. President, of the Journal.

SPEAKER MARVEL: Senator Schmit, do you want to move the adoption of your resolution?

SENATOR SCHMIT: I move the resolution, Mr. President. Mr. President, members of the Legislature, we all know the production of pork is a very vital part of the Nebraska economy. We recognize the contributions made by Mr. Kahle. We recognize the honor that he has brought to the State of Nebraska and the pride his father must feel in his accomplishment and therefore I introduced the resolution, and as you have noticed, there are many cosigners. I would ask you to join me in support of the resolution.

SPEAKER MARVEL: You have heard the motion. All those in favor of the Schmit motion vote aye, opposed vote no. Record.

CLERK: 32 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SPEAKER MARVEL: The motion is carried. The resolution is adopted.
